# Summary

The Loan and Penalty application is designed to aid students in tracking the status of their borrowed books, providing a seamless method to monitor overdue timelines. It enables users to effortlessly check whether their borrowed books are past their return date. This application empowers students by offering clear visibility into their book borrowing history, highlighting overdue books, and indicating any penalty fees incurred due to late returns. By providing this streamlined interface, students can easily manage their borrowed books, ensuring timely returns and minimizing penalty charges.
